****Our "kids in class" policy****

We believe it is important for the whole family to be involved in your dog's training and highly encourage children to attend classes. We require an adult present with any child under 18 and we require an adult dog handler with any child under 10. In order to maintain focus on the dog, children under 6 must be accompanied by 2 adults so that one adult can concentrate on dog handling and the other on the child handling. Please feel free to contact us with any questions.
